Dear

On behalf of the Defense Intelligence School, I am pleased to confirm arrangements made by Major Parkerson, USAF, of my faculty for your address to our students in the Postgraduate Intelligence Program (PGIP). Your presentation of "The Director of Central Intelligence and his Support Staff" is scheduled for Monday, October 18, 1982 from 9:00 a.m. to 10:50 a.m.

We sincerely appreciate you setting apart time from your busy schedule to address our PGIP class. This particular class consists of 56 students from the Intelligence Community in the grades of GS-12 and GS-13 and military officers in the grades O-2 through O-4. All have TS/SI/SAO clearances.

Major Parkerson is the School's action officer for your appearance. Should you have any questions or require any assistance, please call him at 433-2704.

Again, your willingness to support the courses of the Defense Intelligence School is deeply appreciated. We are looking forward to your visit on October 18th.

Sincerely,

ALLEN E. WOLF
